Thanks, Libby. That explains why I have no record!

Hi Brian,

I just have record of reviewing the QAPP in September and the Abstract in March. I should be able to turn this around fairly quickly. Thanks!

Libby,

I've attached an amended Radford Draft report for the U.S. Army. I believe you've previously reviewed this but I have no record of that. Perhaps since this was not to be distributed (at least not yet), I don't have any formal paperwork.

The amendment here is solely the inclusion of PCDD/PCDF data, to the best of my knowledge. I wanted to pass it by your before providing it to the US Army for their comments.

Thanks!

Brian
